During the year, we have opportunities to share the accomplishments and activities of our LACC students. To do this, we may announce their names, take photographs, voice recordings, video recordings, and other visual documentation of students. The church may share these images or recordings in church publications, YouTube, marketing materials (both digital and print), and we may also share these media images and recordings with newspapers, social media and other print and digital media publications.

Some publications may include, but are not limited to publicly displayed photographs, press releases, interviews, advertising brochures, newspaper articles, newsletters, and any social media outlets. These publications become property of Loudon Ave Christian Church. Please indicate below whether you consent for these media images to be gathered and published and your permission will remain in effect while you and/or your child attends Loudon Ave.

*I acknowledge that I have the legal authority to sign this form on behalf of the minor(s) named above.*

I freely give my consent for print and digital media of my child to be published with their first and last name.

I do not give my consent. **Please help us by reminding your child to step out of photos and recordings.**
